

Thanks to Epworth's partnership with GoodSearch.com, supporting our church's mission is easier than ever. GoodSearch.com is a search engine that donates half its revenue, about a penny per search, to the charities its users designate. You use it just as you would any search engine. It's powered by Yahoo!, so your results are the excellent quality you expect. If 100 people search just twice a day it is estimated that we can earn \$730 a year for Epworth, all without any of those people spending a penny.

**Follow these simple steps to support Epworth:**

1. Log on to [www.goodsearch.org](http://www.goodsearch.org)
2. Write in "Epworth UMC" in second box on page
3. Hit "Verify"
4. Search the internet as you normally would

PS - Give thanks to Joy Malessa for this one. This is the Real Deal! It is not Adware, Spyware or any other harmful Internet trapping. I have the GoodSearch toolbar already installed and working on my pc putting money into Epworth's account.
